- About the event** – Please describe the event briefly. Was the turn out what you expected and/or wanted?
We made silly putty/gak with small children, through a recipe found online.
- Specific Problems** – Please list any problems that were encountered in the organization and execution of the event.
I brought too few cups and bags so a SWE member had to run out and get more. Also, some children showed up later and we had already started to clean up.
- Suggestions** – Please elaborate on ways in which SWE can improve this event for next year. Include general suggestions and advice for the future.
Bring lots of extra supplies just in case too many kids show up!
- Budget-** Please make a budget of things purchased for this activity and their prices.
