1. Volunteer for Expanding Your Horizons!

Saturday, April 26

SWE Outreach will be running a workshop for Expanding Your Horizons on Saturday, April 26, 2008. Expanding Your Horizons is an annual event to encourage girls to explore careers in science and engineering. We will be running 3 workshops and need volunteers. If you want to participate in some fun activities surrounding the science of soap and oil, sign up! EYH runs from 8 AM to 5:30 PM.

Workshop times:

Workshop 1: 8:45-11:15

Workshop 2: 11:15-12:45

Workshop 3: 2:35-3:45

If you would like to sign up for one or more workshops, please email Christie at ccb35 and Leslie at lsp25.

2. Volunteer for Girl Scout Day!

Take a Study Break w/FREE BREAKFAST & LUNCH!

Help with the Society of Women Engineers' Middle School Girl Scout Day Event on Saturday, March 29th! There is no minimum time commitment—we need everyone! If you can volunteer for any time between 9am and 3pm, please email Zeynep at zb34@cornell.edu.

We are authorized to sign for official volunteer hours

3. Relay for Life is on March 29th!

Relay for Life is on March 29th, from 7AM to 7PM in Barton Hall. Our team can be 10-15 people, but everyone can help donate and raise money! Team members get a free t-shirt and it's going to be a good opportunity for SWE members to raise money for a good cause while having fun at a team event. Contact Danielle Brody (dlb333) with any questions or interest!

4. ORDER A SWE T-SHIRT TODAY!

Check out the website for the design and sizing (they are super cute!) To order one email Laura Connelly (lsc33) or Julie Katz (jnk23) with your name and size. The price is going to be about \$10. The order should be in within a few weeks!

5. Prospective Candidates Weekend! – Volunteers Welcome!

Prospective Candidates Weekend is a SWE hosted weekend event, April 11th-12th, when women accepted in the College Engineering are invited to visit our campus. We spend the day introducing our guests to campus and plan various activities for the students in order for them to get a taste of the College of Engineering as well as life at Cornell. We expect a big turn out this year so please help us out by hosting a girl overnight or simply by pitching in an hour or two to help out with the tours and activities! (Just as a reminder, you must live somewhere ON CAMPUS, be a female in the Engineering School, and attend a brief training session in order to be a host!) Email Emily at egm23 if you would like to host or volunteer!!

You can also pick up a hosting form in Olin 128, or just download the attachment and turn it in to Olin 128.

Thank you for your help!
Kristie, Emily, Natalie, & Nicole

6. Faculty Luncheon

Want to get free food (most likely from Aladdins!) and meet professors? The luncheon will be held on either Friday April 25th or Saturday April 26th from 12-3 pm. If you have interest in attending, Contact Amitha Kurmala at ark77@cornell.edu.

Other Organization Events:

7. ASCE Civil Engineering Tour of China

Cornell ASCE is organizing a civil engineering tour of China (4 cities in 10 days) scheduled for May 2008. Trip highlights include the Beijing Olympic Stadium (guided by a project manager on site), the Great Wall, the Three Gorges Dam, the Terracotta Soldiers, and more! Our tentative plan is to leave the states soon after graduation (after May 25th).

The registration deadline is in early March. Email Rosemarie Fand at rf79@cornell.edu with any questions.

Research, Internship, Training & Employment Opportunities:

8. Goldman, Sachs & Co. Undergraduate Camp (www.gs.com/careers)

Great minds don't always think alike. Here we embrace those with a different point of view. Because the challenges we face come in many different forms, it takes many different kinds of people to meet them. Are you one of them?

Goldman Sachs will be hosting our annual Undergraduate Camp from May 27th through May 30th in New York City. The 2008 Goldman Sachs Undergraduate Camp offers rising sophomores an opportunity to explore the financial services industry and become familiar with the firm's business, history and culture.

This event is open to Black, Hispanic, and Native American students from all majors and disciplines. The 4-day program features divisional overviews, case studies, career workshops, and networking with Goldman Sachs business and recruiting professionals. If you are interested in attending, please click the link to below and complete the application by April 25, 2008. For any questions or concerns please contact Conrad Woody or Jennifer Torres. Warm Regards, The Firmwide Diversity Recruiting Team 2008 Goldman Sachs Undergraduate Camp Application

9. Announcing Procter & Gamble's Student Programs!

Procter and Gamble's Student Programs are designed to give early exposure to top students of the work we do at P&G. There will be 6 different programs held in Cincinnati, OH at our Global Headquarters during the weeks of July 28th and August 4th, 2008. Students participating in these programs will learn about the various areas within P&G as well as have an early opportunity to interview for employment opportunities (intern and fulltime) with P&G!

Other Useful Information!

15. Apply to be an Engineering Peer Advisor!

This is just a friendly reminder that the application to be a College of Engineering Peer Advisor is available on-line:

<http://www.engineering.cornell.edu/student-services/academic-advising/peer-advising/index.cfm>

Peer Advisors direct new engineering students at orientation and co-facilitate 150 seminar courses during the fall semester. The time commitment is about an hour a week, and you get a free t-shirt. :) It's always great for first year students to hear "survival" tips and advice for success from their peers. It's also a fabulous way for you to gain some leadership skills and begin to build your resume.

General member applications are due March 7. If you have any questions, feel free to contact Co-Chairs Caspar Floryan (cjf33) or Karin Holmberg (kjh45).

13. Subscribing to the Alumni list

An alumni list was created in August 2006. Unlike SWEemail, this will not be a weekly email. It will most likely be monthly. For those who just graduated or those who are alumni on the list, you can join by sending an email to lyris@cornell.edu with the message as (without quotations and brackets) "join SWEalumni-L <insert your name>"

14. Unsubscribing From SWEemail
